Cocktails

Believe it or not: Despite rumors to the contrary, the Cocktail does not originate from overseas or far away countries but naturally from Bavaria. Back in the days of our grand- grand-fathers, people already understood how to enjoy beer and other beverages best, namely in the most diverse variations - as in "Mixing gone wild", they simply mixed and matched different ingredients the way they wanted to. Of course, "Wirtshaus in der Au" offers all the classics: Whiskey Sour, Caipi or Gin Fizz but we are also convinced that the traditional "Cocktail-map" deserves a little upgrade, let's say a special, well... Bavarian touch! - So, Cheers, Salute and Prost!
